February 21-22, 2026 the Lake Worth Hub will be hosting an open house and resource fair for people in recovery. Individuals, treatment centers, sober homes and recovery residences are invited to drop off and pick up at the Hub rather than try to find parking. Participants are encouraged to grab a bottle of cold water or cup of coffee, enjoy a little air conditioning, and learn about important recovery resources. We strive to provide a safe, welcoming and recovery space for everyone who wishes to enjoy the Lake Worth Street Painting Festival.
