February 21-22, 2026 the **Lake Worth Hub** will be hosting an open house and resource fair for people in recovery at **1120 Lucerne Ave.** Individuals, treatment centers, sober homes and recovery residences are invited to drop off and pick up at the Hub rather than try to find parking. Participants are encouraged to grab a bottle of cold water or cup of coffee, enjoy a little air conditioning, and learn about important recovery resources. We strive to provide a safe, welcoming and recovery space for everyone who wishes to enjoy the Lake Worth Street Painting Festival.
